

Directorate of Medical Education (DME) Announcement

The Directorate of Medical Education (DME), Government of Andhra Pradesh, is pleased to invite stakeholders to participate in the upcoming **Stakeholder Meeting on Rare Disease Policy** on **24.6.2026** at Dr. NTRUHS , Vijayawada. 9 AM to 4 PM.

This meeting aims to bring together representatives from government institutions, medical colleges, referral centers, NGOs, patient groups, and experts to deliberate on the draft framework for rare disease initiatives, including the Rare Disease Registry, Universal Neonatal Screening, establishment of Centers of Excellence, and referral networks.

Agenda Highlights:

- Presentation of draft Rare Disease Policy framework
- Discussion on operationalization of Rare Disease Registry
- Role of referral centres and Centers of Excellence
- NGO and patient group engagement strategies
- Funding models and partnerships

Your participation and valuable inputs will be crucial in shaping a comprehensive and inclusive policy framework for rare diseases in Andhra Pradesh.
